RIVS + frontline education™

Seamlessly integrate with
Frontline's AppliTrack System

Centralized Reporting

No longer go through multiple platforms to report on your interviews. Reporting done within Frontline's AppliTrack System.
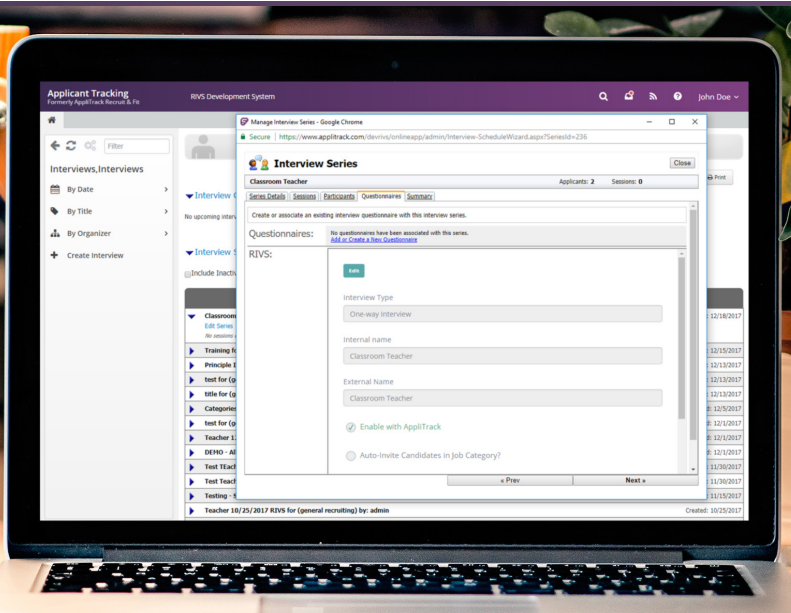

Interviews linked to the candidate profile

Keep track of anything associated with the interview including ratings, comments, and notes all linked with the Frontline's AppliTrack System candidate profile.

Fits into your process

RIVS interviewing solutions is easily configurable to fit anywhere in your current Frontline's AppliTrack System workflow.

How to use RIVS + AppliTrack

DIRECT INTEGRATION
Go through the Frontline's AppliTrack System Marketplace and organizing with Frontline's AppliTrack System to add the connector

BROWSER EXTENSION
Add the extension from the the browsers web-store in one-click

How it Works

1 When taking action on a candidate, you can move him/her to the designated RIVS workflow status and have the RIVS invitation automatically triggered

2 Candidates complete their interviews on a mobile device or laptop and access to those candidate interviews populate in real-time back in Frontline's AppliTrack System

3 Share candidates with hiring managers by sharing the candidate's Frontline's AppliTrack System profile or sharing just the RIVS completed interview
